

Parent Involvement Policy

Blacksburg Primary
School
2019-2020

We believe parent involvement is a vital part of the educational arena. Parents are invited to volunteer in classrooms. Parents are welcomed to attend school activities to support their child. All parents are invited to participate in our Parent Teacher Organization. Parents are encouraged to participate in the planning and review of the Title One Plan. A copy of this plan is available in the principal's office for review by parents when requested.

Parents will be informed about scheduled parent meetings and activities through school fliers, the marquee sign, and our school web page. Also, our bi-monthly newsletter will notify parents of all events. The school newsletter will also be posted on our school web page. All information shall be given to parents in a language that parents can understand.

At our fall parent-teacher conference we shall provide assistance for parents to have a better understanding of the child's academic achievement standards, state and local academic assessments, and how to monitor a child's progress in order to improve the achievement of their child.

Blacksburg Primary shall provide materials and training to help parents to work with their children to improve their children's achievement. The Title I Parent Coordinator shall provide support for parental involvement activities at the request of a parent.
